

Banana Powder

Dehydrated Green Banana Powder

Our Dehydrated Green Banana Powder is made from fresh green bananas, which are thoroughly washed, peeled, cut, dried, and ground into fine powder. This product is carefully processed to ensure high quality and adherence to food safety standards.

- **Quality Standards:** Manufactured in compliance with Good Manufacturing Practices (GMP) and the Code of Hygiene for Dehydrated Fruits and Vegetables (CAC/RCP-5-1971).
- **Purity:** Free from ferrous and non-ferrous metals over 1.0mm and 300-series stainless steel over 1.5mm. The powder is almost free from any foreign or extraneous material.
- **Color:** Light beige powder.

Storage:

- **Conditions:** Store in a cool, dry area.
- **Shelf Life:** 18 months when stored at 20°C (68°F) and a maximum humidity of 70%.
